

# ALL THE INS AND OUTS: HOW TO SET UP **DIRECT DEPOSIT**

Direct Deposit does all the work for you, so you're freed up to live your best financial life!

Don't worry; this process is hassle-free. If you're a Publix associate, follow these steps for easy instructions on how to set up direct deposit to your PEFCU account.

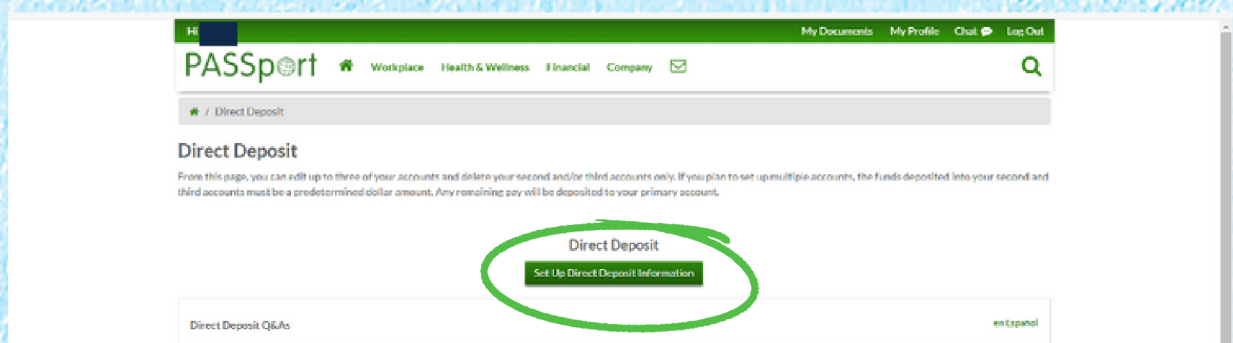

## 1. Log in to <https://www.publix.org/passport>

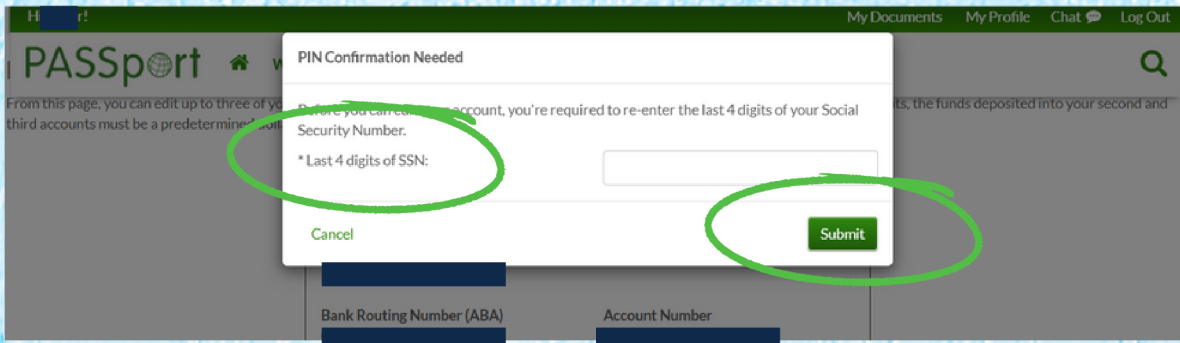

## 2. Navigate to the "Financial" tab located at the top of your screen

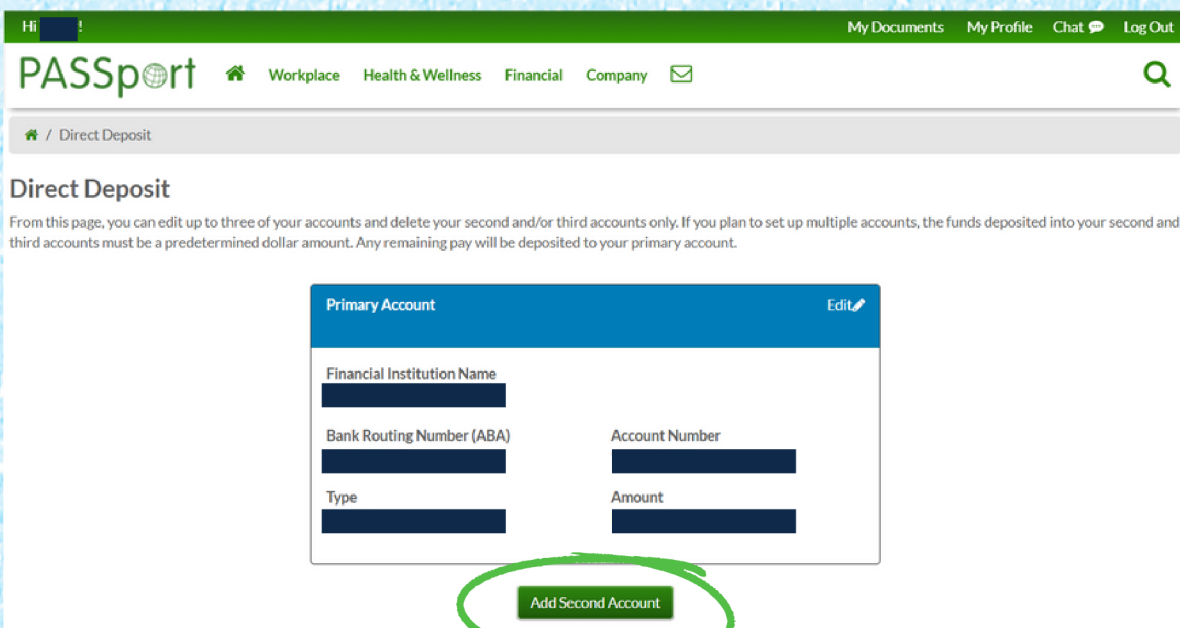

- Under "Pay," click, "Direct Deposit"
- Click the "Set Up Direct Deposit Information" button
- Confirm the last 4-digits of your social security number

3. You will then see a pop-up where you will enter the last four digits of your social security number. Then hit "Submit."

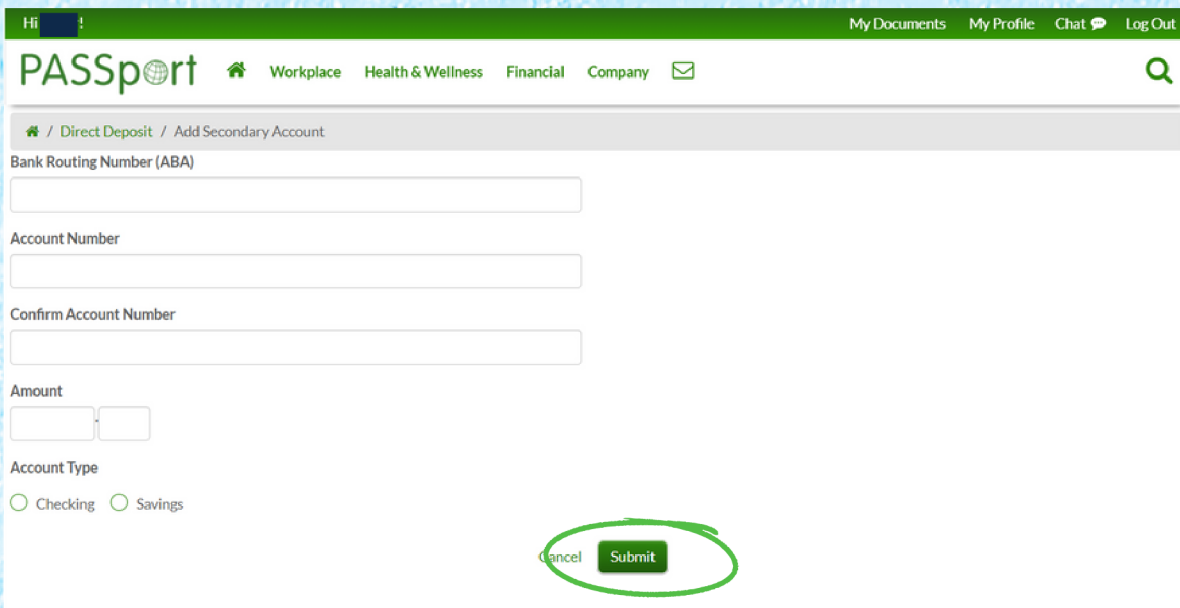

4. Select "Add Account." If you already have a financial institution established, this button will read, "Add Second Account" or "Add Third Account." At Publix, you can establish up to three accounts to distribute your paycheck.

**5. This will bring you to a page where you will enter your PEFCU credentials, dollar amount you want deposited into the account, and the account type. Then click "Submit."**

PEFCU's routing number (ABA) is 263179817. Your account number is specific to your individual account. If you are unsure of your account number, please call our Member Contact Center at (800) 226-6673.

**6. Congratulations! You have now set up your direct deposit.**

If you experience issues setting up your direct deposit, please call (863) 688-1188. For account information, please contact PEFCU at (800) 226-6673.

You successfully created a second account.  
Your distribution allocation for your primary account has changed accordingly. The addition or update of an account will take effect on the next pay cycle. However, any change made within five (5) days of pay distribution will generally not take effect until the following pay cycle.
